CAR DONATIONS HELP VIKING PRIDE FOUNDATION

The Viking Pride Foundation (VPF) is now accepting car donations as a means of raising funds. Your used vehicle can now provide much more than a sizeable tax deduction - it can help fund educational programs in the Winthrop Public Schools!

“Donating your car, truck, SUV or boat to the Viking Pride Foundation is a great way to help education in our schools,” said Al Petrilli, Chairman of the Viking Pride Foundation. “Monies from the resale of used vehicles can generate income used to fund essential programs in our public schools.”

The Viking Pride Foundation dedicates funds to improving the quality of education for students in all of Winthrop’s public schools. The Viking Pride Foundation continues to fund co-curricular activities including art, music and drama as well as other programs such as math, science and social clubs. Substantial reductions in athletic fees for both male and female students are also a result of the VPF.

The VPF’s generous teacher grant program further enhances educators’ curriculums and has benefited teachers in all grade levels. From advances in school library equipment to funding science projects to providing travel means for school tournaments, the VPF has likely benefited your child or one you know in a significant way.

The next time you or someone you know is ready to trade in a used vehicle, please consider donating to the Viking Pride Foundation instead.

The process is simple, quick, and cost-free. All it takes is one phone call to the vehicle donation agent, Cars Helping America at 1-866-949-3668, or donations can be made on line at www.carshelpingamerica.org. Specify that you have a car to donate to the Viking Pride Foundation. Donation vehicles are picked up free of charge, all necessary tax documentation is provided, and receipt of donation proceeds will be properly acknowledged by the Viking Pride Foundation.

The trade-in value of a used vehicle toward a new car purchase is small compared to its value toward the quality of education in Winthrop’s schools. For more information about the Viking Pride Foundation, visit www.vikingpride.org.
